R. Nagar Division, K. R. Nagar, upto 4 P.M. I. S. T. on 23rd January 1963 for the following works and opered on the same day, if possible.

Sl. No.	Name of work	Amount	E.M.D.	Time	Class
		Rs.	Rs.	Months	
1	Increasing the capacity of Santhekere, Hunsur taluk. (Itmewar).	157,000	3,925	18	III and above.
2	Restoration of a new tank across Hadyahalla, Hunsur taluk (itemwar)	152,000	3,805	18	do
3	Restoration of Panditha-nakere of Kanthapura village, Periyapatna taluk. (Percentage basis).	26,700	668	18	do

1 Prescribed Tender forms for the above works may be obtained from the Office of the Executive Engineer, K. R. Nagar Division, K. R. Nagar, on payment of Rs. 2 per set for each of the above work up to 22nd January 1963. No responsibility is accepted for delay in the transmission of tender forms by post and no correspondence will be entertained into on this account.

2 Each tender should be accompanied by a Treasury challan by having deposited Earnest Money noted against each work to the credit of "Revenue Deposit—P.W. D."

3 Contractors holding permanent deposits under the Rules of Registers of contractors are exempted from payment of Earnest Money.

4 Post Office cash certificate and Savings Bank deposits fixed deposits receipts or Bank Guarantees from Schedule Banks will be accepted in lieu of cash deposits provided they are pledged in the name of the Executive Engineer, K. R. Nagar Division, K. R. Nagar, and a letter of authority to proceed against these securities in the case of default or sale is furnished.

No cheques will be accepted for E. M. D. and no request for the adjustment of amount due by the Government can be entertained.

5 Conditional tenders and tenders with alterations in the items or in the specifications are liable to be rejected.

6 The tenders must be submitted along with all documents duly filled in and attested on each and every page in sealed cover with the name of the work superscribed on the top so as to reach the Executive Engineer, K. R. Nagar Division, K. R. Nagar, before the due time on the due date. The rates should be quoted both in words and in figures also.

7 The rates quoted by the tenderer shall be for the complete items as noted in the schedule and specification will hold good till the completion of the works. They shall be inclusive of all taxes local and general, royalty etc., payable to the Government or local bodies in the region.

8 For lumpsum provision or for non-tendered items, the rates will be paid as per Current Min. Schedule in the case of scheduled items or as per data as will be fixed by the competent authority.

9 Tender will hold good till the acceptance or otherwise by the competent authority.

10 The authority competent to accept the tender reserves the right to reject any or all tenders without assigning any reasons.

11 It should be clearly and specifically understood that the tender shown in the schedule of prices/rates are only approximate estimates, that the drawings are tentative and are liable to modification and alterations. The tender rate for each and every item shall however hold good for the full duration of the contract irrespective of changes in design or quantities or any increase in cost of materials, labour etc.

12 The final acceptance of the tender will rest with the competent authority.

13 The E. M. D. of the unsuccessful tenderer is refundable after acceptance of tender by competent authority or and after two months from the date of receipt of tender whichever is earlier.

14 The contractor should make his own arrangements for conveying materials.

15 The contract should not be sublet; otherwise the tender will be cancelled and E. M. D. forfeited.

16 Time is the essence of the work and the contractor shall complete the work in the specified time; otherwise will be liable for imposition of penalty at 5 per cent equivalent to the short progress for every months' delay.

17 Tendered contractors have to pay compensation to the disabled workman working under them for any injury or death caused or occurred during execution of this work, failing which the amount will be deducted from the bills paid to the injured or to his legal heirs of the deceased.

18 The contractor shall make his own arrangements for using of any plant and machinery that may, in the interest of speedy execution of the work, be necessary to be made use of.

If any departmental tools, plants and machinery are supplied, hire charges at the rate fixed by the competent authority shall be recoverable from the contractor.

19 The rates quoted by the contractor will be inclusive of cost of all bailing out water with his own pumping operators. Departmental pump will be hired to contractor if available on the usual hire charges.

20 The corrections should be attested by the contractor before submission of tender. The rates lower of the two copies will hold good.

21 The contractor will have to make his own arrangements to water requirements for the work, scaffolding materials, conveying of materials, approach roads to quarries. No extra amount will be paid for any of the above items.

22 Controlled articles like cement, steel etc., will be issued at the rates current at the time of issue if stock is available at the time of requirement. The empty cement bags should be returned in good condition for which cost will be paid as per rules. If empty cement bags are not returned a penalty of 50 nP. will be imposed.

The amount will be recovered from bills.

(1) Issue rate of cement is Rs. 7-75 nP. 1 bag. Hunsun cement.

(2) Issue rate of cement is Rs. 8—05 1 bag. Periyapatna.

Issue rate of Steel is Rupees.—

Section		Rate	
(1)	$\frac{1}{2}$" ...	Rs. 38	per cwt.
(2)	$\frac{3}{8}$" ...	Rs. 45	,,
(3) Other Sections	...	Rs. 40	,,

23 The E. M. D. paid by the successful tenderer and an additional amount at the rate of 5 per cent recovered from the running bill on its gross value, will be held in deposit till the work is completed.

24 The terms specifications mentioned in the schedule or in the estimate in the notified form would mean specific item of work to be done according to the instruction of the P.W.D. site officer at the work spot with reference to design, calculation etc., furnished during execution and no higher rates than tendered rates will be paid.

25 The right to distribute the works at the lowest tendered rates to the other contractors also is reserved by the competent authority if the competent authority feels the necessity in the interest of speedy execution of works etc., without assigning any reasons whatsoever.

26 Tender contractors or his representatives have to make arrangements at his cost for inspection of the works by the departmental officers during execution.

27 The decision of the Chief Engineer, Bangalore, shall be final and binding legally on contractor on all matters of disagreement in respect of the work.

28 The concreting shall be allowed only on the satisfactory completion of the test. The contractor for the above work shall be responsible in arranging the tests at Mysore Engineering Research Station, K. R. Sagar at his own cost.

29 Tenderers not fulfilling any of the conditions in the notification and not received in time will be disqualified.

30 The successful contractor shall bind himself his representative and the workmen to abide by the departmental rules and specifications in force, and shall execute the necessary stamped Mutchalika within 7 days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money will be forfeited.

31 This tender notice shall be deemed to be a part of the agreement even though, it is not prescribed into the agreement bond. The conditions enumerated in form PWG 32 shall apply.

32 The tenderer is deemed to have acquainted himself fully into the local conditions regarding labour and materials general and special condition of contracts, specifications for the work and the time allowed for completion before tendering the work.

33 The estimated plan will be available for perusal of intending tenderer and any further particulars required can be had at the Office of the Executive Engineer, K. R. Nagar Division, K. R. Nagar during working hours.

34 Convention for measuring the tee beam, and slabs will be as per item No. 110 of Schedule of Rates.

35 S. T. and I. T. clearance certificate should be enclosed to the tender and tenders received without them are liable to be rejected.

36 The successful contractor shall execute any extra work over the sanctioned quantity at his tender rates and any deviation as ordered by the Chief Engineer, he shall be paid at the minimum rates of the year.

37 No correspondence will be entertained into regarding acceptance or rejection of tenders.

.....,

2238 *Ex. Engr.*
